Career Outcomes

Unlock your future

Delivered fully online at your own pace, this course is a fantastic way to upskill or kickstart a new career without the time and cost commitments of a full-time degree.

Because you'll be learning directly from professionals in the field, this course will equip you with the most in-demand skills and up-to-date knowledge within the industry - opening the door to amazing opportunities post-study!

Once completed, you might use this course as a stepping stone to further study or dive straight into the industry. In Australia, the requirements for becoming a nail technician vary depending on the state or territory in which you plan to work. Accredited qualifications are not always mandatory, but they can be advantageous in terms of gaining employment and establishing credibility in the industry.

Potential career outcomes include:

- Freelance Nail Technician
- Nail Salon Receptionist
- Nail Salon Assistant
- Nail Technology Apprentice

Earn a micro-credential

At the end of your course, you'll receive a Certificate of Completion and a Digital Badge (issued by Credly). This is a fantastic way to verify your knowledge and skills and stand out to potential employers – simply add them to your LinkedIn profile, personal website or resume!

Industry Mentor Support

Develop your confidence and skills with guidance from Australia's leading nail technicians and artists. This includes a dedicated industry mentor to answer your questions, provide feedback and help you plan your future in the industry!

Nicole Moore **MENTOR**

Owner of Made Gorgeous Salon & Education Ambassador for CND™

Nicole stumbled into the beauty industry 20 years ago when a friend asked her to run her spray tan business while on holidays. This quickly sparked a deep interest in the industry and prompted Nicole to seek out further education and training in beauty therapy.

Nowadays, Nicole runs a successful beauty salon in Melbourne called Made Gorgeous. She is also an Education Ambassador for CND™ and facilitates countless classes around Australia, educating beauty professionals on the latest products and techniques.

For Nicole, the best part of the industry is the people: her clients, staff, mentors and students. As your industry mentor, Nicole will be there to support you through the learning journey and connect with you through the learning platform and live workshops.

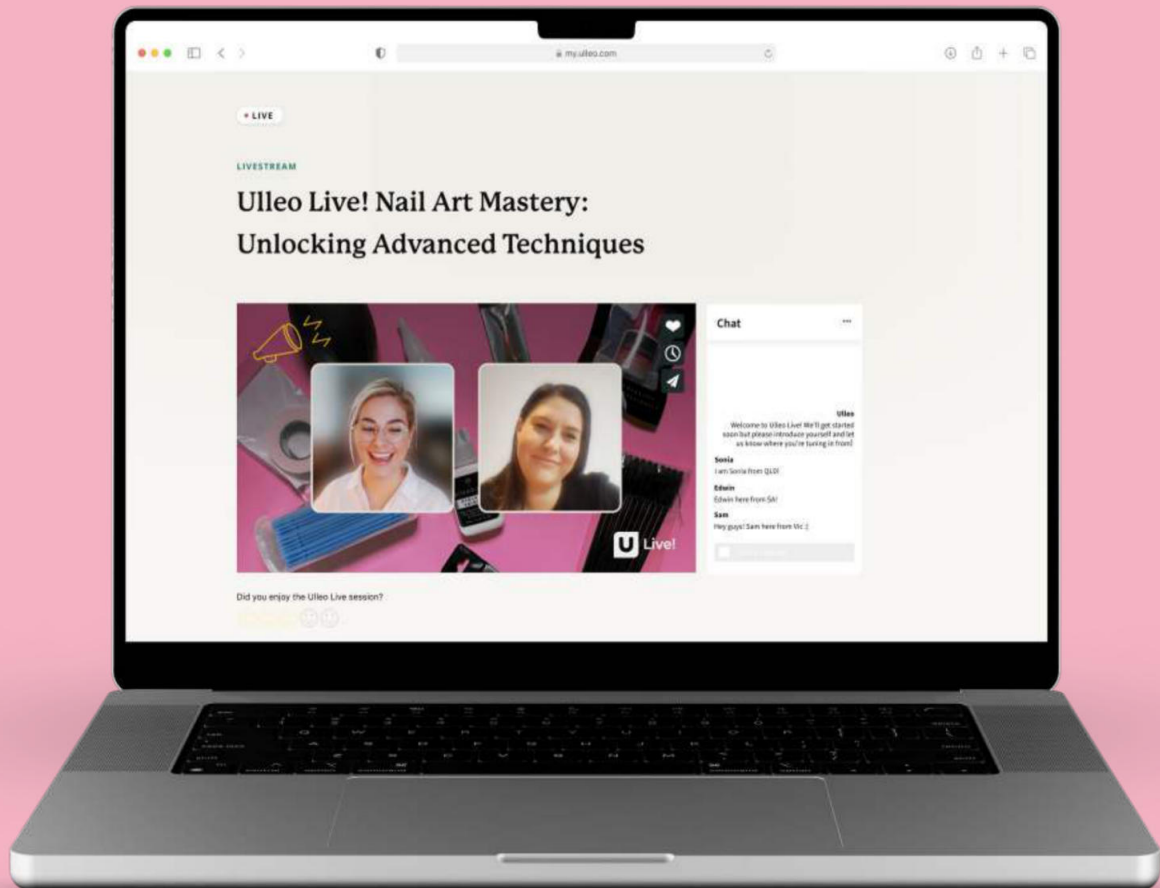

Bridging the gap between students and industry

On top of your course materials, you'll also have access to regular live events, workshops, and beauty demos featuring your mentor, peers and industry guest speakers.

Topics include:

- Building your social media presence as a nail tech
- Innovations in nail enhancements: builder gel and soft gel extensions
- Advanced nail art techniques: foiling, sugaring, decals, and encapsulated designs

Each session is recorded and uploaded to the learning platform for later viewing.
